Paragliding in Pokhara - Itinerary

Day 1: Day 1: Paragliding in Pokhara

- After breakfast, you will be picked up from your hotel and driven to Sarangkot, the take-off point for paragliding in Pokhara.
- Upon reaching the paragliding site, you will receive a briefing from your paragliding pilot who will explain the necessary safety precautions.
- Once all safety checks are done, you will be harnessed to your pilot and take off for your paragliding adventure.
- Enjoy around 20-30 minutes of flying over Pokhara, with stunning views of the Annapurna range, surrounding hills, and Phewa Lake.
- After landing, you will be transported back to your hotel in Pokhara.
- Spend the rest of the day at leisure, exploring Pokhara or relaxing by the lakeside.

Paragliding in Pokhara - FAQs

1. Is paragliding in Pokhara safe?

Yes, paragliding in Pokhara is generally considered safe as long as you follow the safety guidelines provided by your instructor and use proper equipment. It is important to choose a reputable paragliding operator and ensure that they have experienced pilots and up-to-date equipment.

2. What is the best time to go paragliding in Pokhara?

The best time to go paragliding in Pokhara is from October to April, when the weather is clear and stable. During this time, you can enjoy beautiful views of the Himalayan mountain range and the stunning Phewa

Lake.

3. Do I need any previous experience to go paragliding in Pokhara?

No, you do not need any previous experience to go paragliding in Pokhara. Your instructor will provide you with a safety briefing and teach you the basics of paragliding before your flight.

4. How long does a paragliding flight last in Pokhara?

A typical paragliding flight in Pokhara lasts between 20-30 minutes, depending on the weather conditions.
